Aus Triathlon

I am thrilled to extend a warm welcome to the 2024 Devonport Triathlon.

Tasmania's spiritual home of triathlon, steeped in a rich history of hosting major international events, will once again welcome Paralympic and Olympic program athletes, under 23 talents, and dedicated age group participants in a genuine celebration of our sport.

Featuring not only the World Triathlon Para Series but also the Oceania Triathlon Sprint and Mixed Relay Championships, the Australian Elite & Under 23 Sprint Championships, and the Tasmanian Standard Distance Championships.

In this crucial year, with the spotlight firmly fixed on the Paris 2024 Paralympic Games, Devonport provides a golden opportunity for athletes from around the globe to earn valuable points on the qualification rankings, shaping their journeys on the Road to Paris.

On behalf of AusTriathlon, I would thank the local organising committee, with special thanks to Will Blackaby. Thank you also to the support of Devonport local Government and the Tasmanian Government.

Devonport has consistently demonstrated a steadfast commitment to our sport, earning its well-deserved reputation as a cornerstone of triathlon in our country. We are delighted to witness the continuation of this tradition and the city's vital role on the World Triathlon calendar.

I look forward to the thrilling races and memorable moments that will unfold during the 2024 Devonport Triathlon.

See you at the finish line.

Tasmanian Premier

Welcome from the Premier

A very warm Tasmanian welcome to all competitors, support crews, families, friends and enthusiasts to this year's Devonport Triathlon Festival.

Whether this is your first-time visiting Tasmania or if you've been here for all 38 previous iterations of this fantastic event, it's my hope you will have a truly memorable experience.

The Devonport course has provided world-class racing in an unmatched setting since 1985 and the Tasmanian Government is a long-time and proud supporter of this event.

We love the way it showcases some of our idyllic Tasmanian scenery and we hope visitors take the time to peer beyond the course into our region, which has so much natural beauty and produce to be enjoyed.

Each year the organising team and volunteers work very hard to ensure the event runs seamlessly, with an eye for detail that allows the Devonport Triathlon to keep getting better, and I want to thank them for their efforts.

This year the festival again encompasses a round of the prestigious Paratriathlon World Series alongside the Oceania Elite, U23 Sprint Series, and junior competitive events.

It's our pleasure to share this special part of the world with you.

All the very best for another successful event and we look forward to seeing you back again next year!

Hon. Jeremy Rockliff MP
